Before you book an appointment please note the below

If you need an appointment over the Easter bank holiday weekend please call NHS 111 and a fully trained advisor will be able to book you into the Local Extended Access Hub open on those days.

You can also call your GP practice as normal. If your practice is closed you’ll hear a recorded message advising you how to access appointments out of hours or over the Easter bank holiday weekend.

Please note all Easter bank holiday weekend appointments have to be pre-booked, no walk-in appointments are available.
