

Community Cancer Care Support

Patient/Carer's Survey

15th July 2019- 15th August 2019

Introduction

We know that life for those affected by cancer can be challenging. We also know that more and more people are now living longer with cancer; in Leeds there are over 25,000 people currently living with or beyond a cancer diagnosis.

It is not uncommon for people to feel lost and struggle to come to terms with living with cancer, or going back to 'normal life' after cancer treatment has been completed. We want to help people affected by cancer find help in their local community easily, as and when they need it.

The aim of this survey is to find out what sort of things people who have a diagnosis of cancer (or their carers) would want help with, and how it would be best for them to access it.

Please take a few minutes to share your thoughts on these topics with us. We will use your feedback to develop a useful and accessible support service for people affected by cancer.

This project is subject will be based in the following areas (due to allocation of funding):

- Aire Valley
- Harehills, Richmond Hill & Burmantofts
- Beeston & Middleton
- Wetherby

If you'd like to fill in this survey online, go to: <https://www.smartsurvey.co.uk/s/SVWG2/>
